

Downloading the 3M App onto Your Mac OS

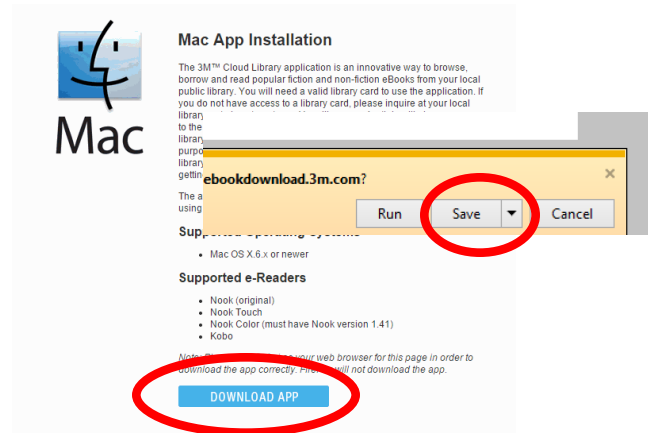

Step One:

- Go to <http://www.ebook.3m.com>.
- Click on “Available for Mac OS.”

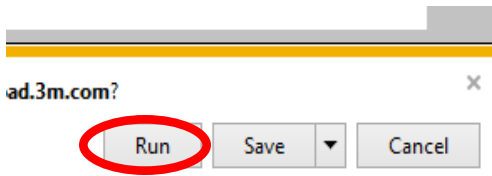

Step Two:

- Click on “Download App.”
- Click “Save” in the pop-up screen.

Step Three:

- Once you have saved the file, another pop-up screen will appear.
- Click on “Run.”

Step Four:

- The 3M Cloud Library icon should now appear on your desktop.

Step Five:

- When you click on the 3M icon, you will be taken to a Login screen.
- Select your country, state, library, and fill in your library card number and pin number.
- You must accept the terms and agreements before logging in.

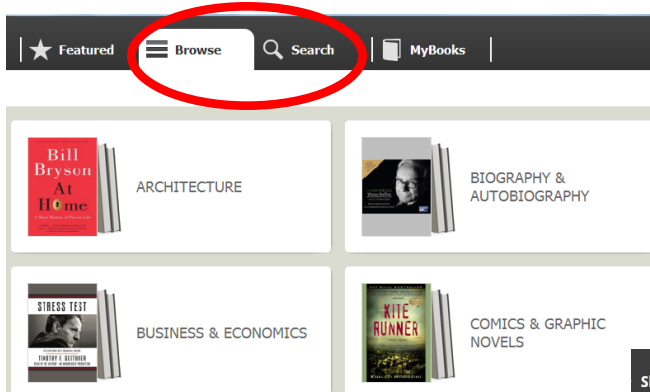

You are now ready to check out eBooks from the 3M Cloud Library! Tap on the 3M app to log in and get started.

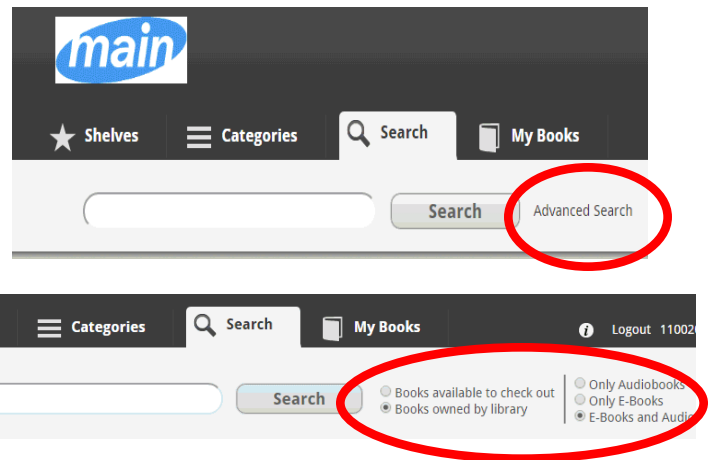

How to Find and Check Out e-Books and Audio Books on Your Mac OS

Step One:

- You can search e-books and audio books by browsing by topic or by clicking on “Search.”

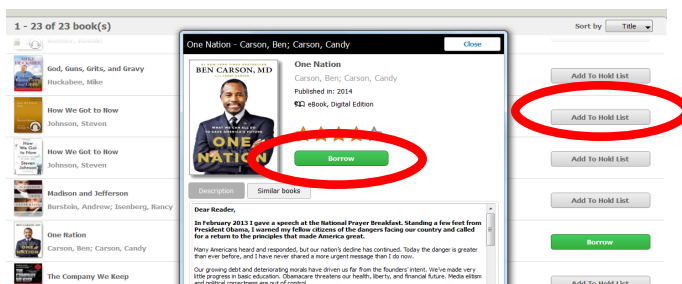

Step Two: In “Advanced Search,” you can choose which format you would like to search (e-books or audiobooks). You can also choose to view all titles or titles that are currently available to download.

Step Three:

- When you find a title click on Borrow.”
- If a title is unavailable, click on “Add to Hold List.”
- To start reading, click on “My Books.”

Step Four: Returning an e-Book or Audio Book Early:

- If you want to return an item before it is due, click on the “My Books” tab. Click “List View.” Find the book you would like to check in, then click “Return.”
